MISSOURI DISTRICT NEWS Students, parents, and church workers can use the Campus Ministry Network to help connect students with their college's LCMS campus ministry. It's an easy process. Simply visit molcms.college, click on the school where the student is attending, fill out the short form, and the information will be passed on directly to that campus ministry. Not attending a school in Missouri? The Campus Ministry Network also has links for finding an LCMS-U chapter around the country at molcms.college/partners. The first 30 days on a college campus sets up habits for the whole year. Get connected to a campus ministry near you through the Campus Ministry Network!

MISSOURI DISTRICT NEWS The celebration Sunday for *Tomorrow's Teachers & Preachers*—August 25—is right around the corner! Many congregations and schools will be collecting offerings to help defray the educational expenses of the next generation of pastors, DCEs, deaconesses, teachers, and more as they complete their studies. This upcoming school year, 62 men and women will benefit from our scholarship endowment. Praise God for guiding these people towards service in His kingdom and for the way He works through all of you in supporting them!
